

14 July 1964

MEMORANDUM FOR THE RECORD

SUBJECT: The [] Briefing - Brig. Gen. Stewart, Executive
Officer for []

1. Gen. Stewart was briefed this afternoon on the objectives of the [] program and the approach which we propose to take. Emphasis was given to the necessity for implementing the program if operations are to be conducted in the Spring. The vital information which the system can obtain was stressed and its phase relationship with respect to longer term programs was indicated.

2. Gen. Stewart was non-committal, recognized the importance of the program in terms of the data to be obtained, and considering the fact that we have launch experience under the "O" program, felt reliability might be adequate.

3. [] will arrange a meeting to determine what briefing aids, etc. [] will need for the Special Group.
